

ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background**

Page Last Modified: 08/09/2021

Summary & Background

NORTH COLLINS CSD

142201040000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

Page Last Modified: 08/09/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Page Last Modified: 08/09/2021

Submission Instructions

NORTH COLLINS CSD

142201040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

NORTH COLLINS CSD

142201040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

Plan initially developed by District Administration. Plan reviewed throughout the months of May, June, July and August 2021 with the Board of Education (June 8 and June 22 BOE meetings open to the public to discuss the plan); posted on our website for public comment from June 27, 2021 to present; reviewed with District Supervisors and Administrators; reviewed with our Educational Advisory Committee (consisting of North Collins teachers, North Collins staff, North Collins parents, and local BOCES staff and special education designee).

Public comment was collected through discussions at multiple Board of Education Meetings, our website posted the plan and asked for feedback to be sent to the Superintendent via email provided and feedback was gathered from staff, students and parent/community representatives at various committee meetings (School Comprehensive Improvement Plan and District Comprehensive Educational Plan) held throughout the process. Any feedback provided by stakeholders was considered and incorporated in the plan if possible. We will continue to engage stakeholders throughout the coming years of the implementation of the funds during updates to the BOE during our monthly meetings, committee updates and the continuous ability of the public to provide feedback via email, phone or meetings.

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

<https://www.northcollins.com/cms/One.aspx?portalId=272706&pageId=32242618>

The approved hard copy of the plan will be available at the District Office and viewable on the District website.

*Once the application approved, the budget forms and plan will be posted on our website.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

Page Last Modified: 12/28/2021

ARP-ESSER LEA Base 90% Allocation - Program Information

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

Safely returning students to in-person instruction: CDC , NYSDOH and Erie County Department of Health health and safety protocols have been reviewed and implemented to the greatest extent possible to allow for in-person instruction 5 days/week. The District continued to employ the staff needed to safely return and support students back to school 5 days/week for in-person instruction. The funds were used to support instruction (Science (STEM) Teacher); operating schools safely and meeting the needs of students and families and other activities that are necessary to maintain the operation of and continuity of services in the school district (district psychologist and school resource officer); support of instructional technology (microcomputer tech specialist); support screening and surveillance testing (LPN hired); meeting the needs of students through transportation (investing funds in to the transportation department current drivers to continue safely meeting the needs to students) and to retain staff (ie cleaning, clerical, teacher aides) to meet the daily needs of students.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The data North Collins will use to identify student needs and monitor student progress as a result of planned interventions and supports is: parent, student, staff surveys; participation rates in extracurricular and summer enrichment programs; math benchmark data throughout the year; ELA benchmark data throughout the year; Align High School and College Courses to increase Post Secondary Transition Outcomes; student and staff interview data (equity self reflection); implement evidence based practices in the classroom through a structured literacy approach (Science of Reading); a two year commitment to LETRs professional development for all staff PreK-8 (Familiarize teachers with how to interpret and utilize their student progress monitoring data); project-based learning activities data (use by teachers and feedback from students); attendance data and student discipline data. Also the use of Panorama student survey (A survey instrument that elevates student voice on school climate, teaching and learning, relationships, and belonging) and use the results to implement effective change. The data will allow us to plan interventions and supports that address student needs...technology use and support by students and staff (remote and in-person); as well as data gathered from student, staff and parent surveys that coincide with the MTSS framework.

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

Leveraging technology for all students and staff by using funds to support a portion of the microcomputer technology specialist salary over a three year period. The microcomputer tech position is essential in providing support of technology to students and staff across the district. The tech position provides hardware and software support to staff and is essential in the implementation of the google platform and supporting educational software. The tech position also supports the 1 to 1 student to chrome book initiative providing equity across the district. Support of portion of the District School Psychologist position to support the mental health awareness and literacy for all students and staff. The school psychologist is essential in the implementation of the multi-tiered systems of support (MTSS) framework and continuous evaluation and monitoring of the program.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

Implementing evidence-based strategies to meet students' social, emotional, mental health and academic needs, the District continued to employ the staff needed to safely return and support students back to school 5 days/week for in-person instruction. The funds were used to support instruction and operating schools safely and meeting the needs of students and families (school psychologist and school resource officer); support of instructional technology (microcomputer tech specialist); support screening and surveillance testing (LPN hired); meeting the needs of students through transportation (investing funds in to the transportation department current drivers to continue safely meeting the needs to students).

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

Page Last Modified: 12/28/2021

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

-Addressing the impact of the COVID-19 pandemic on ALL students, including low-income students, students with disabilities, English language learners, and students experiencing homelessness: parent, student, staff surveys; participation rates in extracurricular and summer enrichment programs; math benchmark data throughout the year; ELA benchmark data throughout the year; Align High School and College Courses to increase Post Secondary Transition Outcomes; student and staff interview data (equity self reflection); implement evidence based practices in the classroom through a structured literacy approach (Science of Reading); a two year commitment to LETRs professional development for all staff PreK-8 (Familiarize teachers with how to interpret and utilize their student progress monitoring data); project-based learning activities data (use by teachers and feedback from students); attendance data and student discipline data. Also the use of Panorama student survey (A survey instrument that elevates student voice on school climate, teaching and learning, relationships, and belonging) and use the results to implement effective change.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

Page Last Modified: 12/28/2021

ARP-ESSER Return to In-Person Instruction

NORTH COLLINS CSD

142201040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.northcollins.com/cms/one.aspx?portalId=272706&pageId=28544325>

<https://www.northcollins.com/cms/One.aspx?portalId=272706&pageId=27130920>

The most updated plan will be made available on our website and/or a hard copy will be available at District Office upon request.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

Page Last Modified: 12/28/2021

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) its plan for in-person instruction, including a description of how public comment will be collected.

The goal has been and will continue to be providing in-person instruction to students 5 days/week in a safe environment. We continue to follow the latest New York State Department of Health (in conjunction with the CDC) guidance on school protocols. As a district, we work collaboratively with the Erie County Department of Health to effectively implement the latest requirements and best practices for a preK-12 educational setting. The latest guidance continues to outline a layered approach to COVID-19 mitigation strategies. A summary of the latest ECDOH guidance can be found [HERE](https://www2.erie.gov/health/sites/www2.erie.gov.health/files/uploads/pdfs/2021-2022-ECDOH-school-guidance.pdf) (<https://www2.erie.gov/health/sites/www2.erie.gov.health/files/uploads/pdfs/2021-2022-ECDOH-school-guidance.pdf>). And the latest NYSDOH guidance (https://coronavirus.health.ny.gov/system/files/documents/2021/09/school-guidance_0.pdf).

We continue to communicate the latest CDC, NYSDOH and ECDOH guidance on our website and via school messenger to our school community. We meet monthly (via committees, faculty meeting, administrative meetings, BOE meetings) to discuss and update (if necessary) our latest in-person instructional plan. Both building principals and our District office seek input from our public via email, phone calls or in-person meetings regarding our plan. We will review and regularly update (at least every 6 months through October 2023) our in-person plan at open BOE meetings and via committee meetings at each building with various stakeholders represented. Public comment is recorded at Board of Education Meetings by the District Clerk and my email/phone number is listed on the plans for feedback.

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "TBD" or "Varies" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.

SIGNED NCCSD FS 10 ARP ESSER 90 AllocationFINAL DEC 2021.pdf
 SIGNED NCCSD FS 10 ARP ESSER 90 Allocation UPDATED.pdf
 SIGNED NCCSD FS 10 ARP ESSER 90 AllocationFINAL Nov 2021.pdf

2. Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.
