Elementary Principal
Chief Information Officer

JINELLE N. BURGER
Director of Student Services

October 1, 2021

Dear North Collins Families:

As we continue to navigate the health guidelines and protocols, I wanted to keep you informed with the latest updates. If your child is experiencing COVID-19 symptoms and you are seeking a negative test result so that they can return to school, you have several community-based testing options. We received updated information from the Erie County Department of Health regarding [COVID-19 Testing Resources for Students and Parents](#). Additional testing sites will be added as soon as they are confirmed from the ECDOH. The [NYS Find a Test Site](#) is also a good resource.

There are three ways a student can return to school after experiencing COVID-19 symptoms:

- 1) *Provide a negative NAAT (PCR) test, **OR***
- 2) *Provide a doctor's note with an alternative diagnosis, **OR***
- 3) *Stay out of school for 10 days since the onset of symptoms.*

If you have any questions, please feel free to contact your child's building principal or school nurse.

Thank you for taking the time to review this information.

Sincerely,

Scott Taylor
Superintendent
