

April 15, 2021

Dear North Collins Families and Staff:

I wanted to share a couple of updates with everyone...We were informed by the Chautauqua Department of Health of a *moderna vaccine clinic* for anyone 18 years or older planned for Friday, April 16, 2021 at SUNY Fredonia. More information can be found at the [CCDOH](#) or at the [direct link](#).

Also, you may be aware, the [New York State Travel Advisory](#) was been updated (again). “Asymptomatic travelers entering New York from another country, U.S. state, or territory **are no longer required** to test or quarantine as of April 10, 2021. Quarantine, consistent with the CDC recommendations, is **still recommended** for all travelers who are not fully vaccinated or have not recovered from laboratory confirmed COVID-19 during the previous 3 months. Symptomatic travelers must immediately self-isolate and contact the local health department or their healthcare providers to determine if they should seek COVID-19 testing.”

Thank you.

Sincerely,

Scott Taylor

Superintendent
